

Dear Interested Students and Families:

Thank you for your interest in the Washington Jesuit Academy! Enclosed is the application for the 2018-2019 school year. The WJA Admissions Committee sincerely appreciates your interest in our school and looks forward to working with you throughout our admissions process.

The Washington Jesuit Academy is a Roman Catholic, private, independent middle school (grades 4-8) for young men sponsored by the Society of Jesus and is governed by an independent Board of Trustees. WJA does not discriminate on the basis of race, color, national or ethnic origin. The Washington Jesuit Academy is an academically challenging school with an extended-day, extended-year schedule in which students attend school from 7:30am to 6:30pm, 11 months of the year with a rigorous code of conduct. Therefore, full participation of parents and guardians is absolutely necessary in order for students to be successful.

Please review the enclosed application and make sure you have provided all necessary information. Financial documents, especially your most recent W-2 and 1040 tax forms, are essential. Students must meet qualifying guidelines as we serve families from low-income communities. Upon receiving the completed application, WJA's Admissions Committee will review the application and our financial advisor will evaluate financial need. If families meet our financial qualifications, they will be invited to sign one of our Saturday Admissions Program. The Saturday Admissions Program is a required component of our application process. WJA's Admissions Office will contact you to set up a visit by either phone or email.

In addition to the application, the Washington Jesuit Academy requires the applicant's transcript. Please make sure the record request form (page 7) is filled out, given to your son's school, and processed as soon as possible. Lastly, we ask that the recommendation form (separate document) is completed by a current principal and/or teacher.

You can learn more about the WJA by visiting www.wjacademy.org. Our website provides great information about our school, mission, and philosophy.
